

Admiral Motel Bunbury - Guest Testimonials Testimonial 1

Staying at the Admiral for a work posting nearby was a really good experience.

The staff were super attentive, helpful, kind and nothing was ever an issue.

The food was always tasty and on time!

Being able to pre-order meals to your liking and have it delivered to your table upon arrival to the restaurant was unreal.

They even washed my work clothes during each stay – game changer.

Thanks Admiral staff, really appreciated all of your hard work in feeding me and keeping me well looked after. Take care, Taylor

Admiral Motel Bunbury - Guest Testimonials Testimonial 2

I stayed at the Admiral Hotel for 6 months while I was working in Wagerup.

The rooms are nice and spacious; the beds are comfortable and showers really good.

What makes the hotel is the staff.

The rooms are cleaned daily, and you can drop your laundry off a few times a week and it's clean and folded that evening. Gold!!

Everything you need is a 5-minute walk as well, very handy..

The ladies that look after the hotel and all the staff are really friendly and couldn't be more helpful. Thank you for making my 6 month stay enjoyable and Thank you for all your help.
